

Children's Ministry

Volunteer Opportunities

Great things are happening with New Hope Kids! We have already made some noticeable changes to our programs. Some of these changes will require us to have more volunteers helping out. Right now we are looking for volunteers to help in the following ways:

- Cleaning toys in the nursery
- Caring for children in the nursery
- Leading Children's Church
- Teaching the Kindergarten/1st Grade Sunday school class
- Securing our kids' hallway
- Assisting families with check in

If you are interested in volunteering with any of our New Hope Kids programs, I will gladly help you find a position that will work with the time and gifts that you have to offer. Come talk to me in the kids' hallway on Sunday morning or email, call, or text anytime!
