The results are in... Thank you for taking some time to complete our growing Young assessment!

We are assembling a team that will work through the growing young research, evaluate the New Hope results and be a part of implementing essential practices that will help our church family attract and involve younger generations in our spiritual community.

Our first meeting (including a conference call with one of the co-authors of the book) **will be held this Tuesday, December 19th from 4:50-5:50pm.**

Even if you can't make this initial meeting, please pray about your participation and contact David at the church office with further questions and to discuss your involvement.
