Exciting Times at New Hope!

Pastor Ryan Whitson has accepted the position of Lead Pastor of our church - PRAISE GOD! Most of you have heard and many have experienced first hand, God leading and unity in the spirit throughout the process of interviewing and calling Pastor Ryan. Likewise, he and his family have truly sensed God's calling and they are absolutely thrilled to be coming to New Hope Church!

We want to share some further details with you as we know many of you are praying for them and eagerly anticipating their arrival:

- **Pastor Ryan's first day is Monday June 11.**
- **The Whiston's expect to be arriving in the Adel area late in the day on June 7.**
- **On Friday, June 8 they will see the property they will be renting for the first time.**
- **On Saturday, June 9 they will be moving into the rental property. More details to follow on specific needs and help moving.**

Prayer Requests:

Pastor Ryan has asked we please pray for their strength over these next few days as they load their moving trailer, for Laura as she closes down her clinic, and for favor with selling their house. Please keep them in your daily prayers.

Joyfully serving Jesus,
Dan Mahlum
